Breastfeeding mothers are welcome to breastfeed anytime, anywhere while at the Polk County Fair, but having a private space can be a welcome sight for some moms. This is why in 2011, the Polk County Fair partnered with Polk County Public Health/Statewide Health Improvement Partnership (SHIP), RiverView Health and the Polk County Breastfeeding Coalition (which gets its roots from the Polk County Wellness Coalition) to provide a private area for mothers to breastfeed, diaper change or take time to rest. The 10x10 tent has two private spaces to feed children and an open front area for diaper changing.

**Families are able to use the tent during the length of the Fair.**
